

Guiding Core Values – What Shapes the Way We Minister

- God is good, all the time. He does not put sickness, poverty or calamity on His children. However, God will work in these circumstances if they happen to bring about good for those who love Him and are called to His purposes.
- God is always approachable and deeply desires that we come boldly into His presence. We can always approach Him in confidence that He wants to fellowship with us.
- God's requirements for holiness and righteousness have been satisfied in Jesus and He is now reconciling the world back to Himself through the power of the cross.
- We live and minister through grace. Jesus perfectly represents Who the Father is. Seeing and knowing Jesus is seeing and knowing God, the Father.
- In spiritual warfare, we focus on the light, not obsess over the darkness, for light always expels darkness. We are seated in heavenly places and use our authority in this realm to influence the other realms of life.
- We have a desire for excellence in all we do (Excellence is knowing that we have done our absolute best, with the resources and abilities we have in the current circumstances).
- We practice integrity and honesty in all of our relationships – we deal with offenses before the enemy has a chance to use it against us.
- God is always speaking to us if we are willing to listen. He has sacred secrets to share with His kids. Prayer is the foundation of our relationship with the Father.
- We believe that all of the Gifts of the Spirit are in operation today and that we are expected to steward them in our daily lives.
- God always works things out for good in our life if we let him.

- God always wants to demonstrate His power and love to the world through us by means of various signs and wonders that should be following us.
- It is God's will to save and heal everyone who comes to Him in faith. When we don't see the manifestation, we continue to persist in hope and confidence and declare that God is faithful.
- God wants us to access, employ and enjoy the blessings of our inheritance here and now as well as in eternity.
- God wants to bless and prosper His children in every way; financially, physically, mentally, relationally, etc. We believe in prosperity with a Kingdom purpose according to 2 Corinthians 9.
- God loves us perfectly so we can live without fear in all things. Our identity is firmly established in being created in His image.
- God's process for fruitfulness in our lives includes our personal responsibility to make wise choices and good decisions, work hard, correct mistakes and partner with God in transforming our lives into the image of Jesus.
- We are called to reign in this life (we represent the highest authority in the universe) with Jesus. Jesus sent us into the world in the same way and with the same resources He had, with the same mission to advance the Kingdom and transform culture.
- Jesus is in the process of building His Body, the church, on the earth. All the fullness of the Father's plans and His glory are found in the church. The anointing that will transform the world is a corporate anointing.
- Apostolic church structure and government is the leadership ordained by Jesus to advance His church. We embrace this Kingdom structure and honor and respect each individual and office accordingly.

Our Purpose Defined:

- To establish a body of believers who will honor and glorify God in our personal life with Jesus, in corporate worship, in relationships, in the marketplace, and in every arena God sends us

- To proclaim the saving grace and love of Jesus to the lost and to present His healing power to the broken in body, mind, and spirit
- To train, equip and release every believer in freedom to reach their God-given purpose through the power of the Holy Spirit.
- To network and share resources with other churches and ministries in the North Country with a goal of becoming a truly New Testament expression of the Body of Christ
- To partner with foreign missionaries, churches and other organizations of like-mind and purpose with our prayers, finances, and resources

Just Imagine...

Let your imagination go beyond the walls of your experience for a moment. What do you see? We see, by faith, our communities being transformed by the power of God. We see individuals, marriages, and families being healed and strengthened. We see the miraculous power of God saving and healing the lost and broken-hearted. We see our churches overflowing and on fire with the purposes of God. It's time to lift our vision higher! God wants to demonstrate His great love and grace to our region. He is looking for those who dare to believe Him for an outpouring of His Spirit like never before!

We invite you to come and grow with us as we seek His Presence, His Power, and His Purpose for our lives and our region.
